The key note speaker of the event was Adv. Kamal Dutta. Adv. Kamal Dutta is a criminal lawyer by profession. He pursued his law graduation from Kolkata University in the year 1989. He started his practice in the year 1990 and joined Burdwan District Judges court.

We started the event at 2:30 p.m. Mrs. Barsha Ghosh, the Chairperson of the committee felicitated our guest of honour and we began with the seminar. Adv. Kamal Dutta took all the attention with his vast knowledge and flawless speech. He gave us many information regarding the sexual harassment and gave us few live examples. We got to know that this crime is not a new generation thing but this have been committing from the historical time period. But we are the one who can stop it with the help of law. For that we should stop the misuse of law in our country.

It was no doubt a great initiative taken by the ICC Cell of St. Xavier’s College, Burdwan. The committee also introduced a complaint form to the students so that they can file a complaint against such behaviour if they face in the college premises. The IC Committee also organises a Digital Poster making competition via online mode on the theme “Gender Justice”.
