AICUF DAY, 2021

Organized by AICUF UNIT, Burdwan

'Privileging the Underprivileged Ones'

25th March, 2021, Katwa: We the members of the AICUF Unit of St. Xavier's College, Burdwan seek to make a difference to the lives of underprivileged children by organizing a program at Netaji Sangha Club, Mondalhat, Katwa on account of AICUF DAY, 7th April, 2021. Students imparted them education through a combination of games and 'loads of fun' to nurture their dreams.

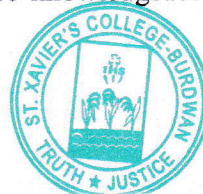

"When you teach one child, you educate next seven generations." The group of 7 students volunteered and taught the children through games, activities and 'loads of fun'. They visited the club consisting of more than 30 underprivileged students, where they had spent quality time teaching the underprivileged children some basics of general knowledge, English language and mathematics. The children also participated in a quiz organized by our students. They also engaged the keen young minds in dancing, singing, recitation and many other activities. The children were overflowed with joy and wished to spend more time with for the later part of the day. Moment like these that make us feel more alive than we thought possible. Eventually a day full of enthusiasm came to end with distribution of gifts and food packets to the children.

We would like to thank, Rev. Dr. Fr. G. Paul Arockiam, S.J., Principal, St. Xavier's College, Burdwan, & Rev. Fr. Sahaya Jude, S.J., Vice-Principal, St. Xavier's College, Burdwan. We would also like to thank Prof. Vishal Maheshwari, Prof. Somnath Tah and Prof. Ancy Tirkey for helping us & giving us the opportunity to organise such a wonderful program.

The goal of getting students participate in outreach activities is to help them make the connection 'from me to the world' and see themselves as an intrinsic part of their community.

Ultimately, the goal is to help the students be knowledgeable, responsible, socially skilled, healthy, caring and contributing citizen.
