### *XAVIER'S SPREAD LOVE TO PEOPLE'S DIWALI*

Diwali is the festival of lights. It is a time when families, friends come together to celebrate acts of generosity and kindness. It is the festive of spreading love and prosperity, which translate sometimes buying and gifting new clothes, jewelry, even new cars for our closed ones.

But this Diwali, Social Outreach Unit of St. Xavier's College, Burdwan, inspired on giving something back to those who have nothing.

"A little help with a little smile gives meaning to human life."

Diwali was on November 4, 2021, a festive brighter than usual for nearly hundreds of unprivileged people because of a campaign by the Director of Extension Services & Head of the Department of Commerce, Mr. Vishal Maheshwari, St. Xavier's College, Burdwan.

Around 25 unprivileged women got sarees to embark their festive with new clothes like us. 50 food packets have been distributed to the underprivileged children, women & men, just to spread love and happiness on Thursday.

The recipients included differently abled children and people with cognitive challenges. "We have tried our best to reach these people, hailing from unprivileged families grappling to earn two square meals a day. Our team has tried to cover these people by visiting different temples, Railway Station, even few slum areas." said Mr. Vishal Maheshwari.

"We, the Xavierian firmly believe to spread love, care and share, especially to those who need them more after this Pandemic. The best way to celebrate festive by giving all you can. This embodies true human spirit. We are trying to inculcate these Jesuits values among all of our students." said Ms. Hemadri Chajer (Student Council Member), St. Xavier's College, Burdwan, the student's representative present there.

The whole campaign conducted by providing all the covid guidelines. Such a philanthropic activity will be an inspiration for the society.
