

Lecture: "Career Avenues in Geography: Prospects & Opportunities"

Speaker: Dr. Jublee Mazumdar, Assistant Professor, School of Human Settlements, XIM University, Bhubaneswar

Date: 2nd June 2022

Time: 12:00 PM

Venue: Seminar Hall, Academic Building, St. Xavier's College, Burdwan

The Department of Geography at St. Xavier's College, Burdwan, organized an extension lecture on "Career Avenues in Geography: Prospects & Opportunities" on 2nd June 2022. Dr. Jublee Mazumdar, an esteemed Geographer and Regional Planner, currently an Assistant Professor at XIM University, Bhubaneswar, was the chief speaker. The lecture, held in a blended mode with virtual participation via Google Meet, saw attendance from 52 undergraduate students across all three years.

Dr. Mazumdar, who holds a Ph.D. from IIT Kharagpur and a Master's in Planning from the School of Planning and Architecture, New Delhi, provided an insightful overview of career opportunities in geography. She discussed the growing scope in urban management, regional and urban planning, and emphasized the importance of acquiring skills such as GIS, remote sensing, urban analytics, and cloud computing. The lecture highlighted the diverse job prospects in urban sectors and the critical role of urban managers and planners in city development and disaster management. The session was highly informative, equipping students with knowledge about the necessary skills and career paths in geography.
