**"IF YOU MAKE THE WORLD BETTER FOR KIDS YOU MAKE IT  
BETTER FOR EVERYONE"**

On 13<sup>th</sup> March, 2022, the annual sports of The Evening School were held in the ground adjacent to the St. Xavier's College, Burdwan. The sports was arranged and managed by the members of AICUF, NSS & X-REACH Unit of St. Xavier's College, Burdwan. There were 57 students who had participated in the sports. The motive of such program was to put a smile on each student's face and lighten up their life by making them play a bunch of exciting games and also to give them a little exposure and relief from their daily choir.

After the students of the Evening School had arrived, they were gathered and were given the information about the games that were to be held that day, by the volunteers. At 4:00 pm the events commenced.

As there were both male and female students, first they were divided into two separate groups, one was of the boys and the other was of the girls and then further divided on basis of their classes.

The games which the college students had arranged for the evening school students were:-

- 1) 100 meter race.
- 2) Free kick football for boys.
- 3) Hit the wicket for girls.
