INTERNAL QUALITY ASSURANCE CELL NEWSLETTER

Volume - 1 Issue - 1 July 2024

PRINCIPAL'S MESSAGE

Dear Colleagues and Students,

It is with great pleasure that I present to you the inaugural edition of our **Internal Quality Assurance Cell (IQAC)** newsletter. This newsletter is a testament to our collective commitment to excellence and continuous improvement across all facets of our college.

As we commence this new academic year, I am excited to highlight some of our significant initiatives that exhibit our dedication to both academic excellence, sustainable development and our involvement in social outreach programmes. Our commitment to environmental

sustainability continues to grow stronger. We have expanded our green initiatives to enhance waste segregation practices, plastic free campus and Reuse Garden.

These efforts aim to foster a culture of environmental stewardship among our students and staff. Recognizing the crucial role our faculty plays in shaping the future of our students, we have launched several faculty development programmes. We believe that investing in our educators' growth directly translates into enriched learning experiences for our students. We have also formalized strategic partnerships with various institutions, NGOs and industry leaders through MOUs. These collaborations are designed to provide our students with enhanced learning opportunities, internships, and real-world experiences that complement their academic pursuits.

In our endeavour to contribute to societal development, we have adopted a village called *Nabastha Bonpara* in Purba Bardhaman district. This initiative reflects our belief in giving back to the community and fostering holistic growth.

To ensure that we are adhering to the highest standards of quality, we have conducted comprehensive academic and green audits. These audits evaluate our performance in key areas, helping us to identify strengths, areas for improvement, and opportunities for innovation. The insights gained from these audits will guide us in our ongoing efforts to enhance both academic and environmental standards.

Our journey towards excellence is a collective effort, and it is your continued support and engagement that drives our success. As we share these updates through our IQAC newsletter, I encourage you all to actively participate in these initiatives and contribute to our shared vision of a progressive and sustainable future. I also congratulate Mrs. Barsha Ghosh, IQAC Coordinator, and Dr. M. Senthil Kumar, HoD, Department of Biotechnology, for bringing out this first beautiful issue.

Thank you for your unwavering commitment and dedication.

Warm regards,

Rev. Dr. G. Paul Arockiam, S.J.

IQAC COORDINATOR'S MESSAGE

As we continue our journey towards academic and institutional excellence, the launch of the IQAC newsletter marks a new step in its vision to channelize the efforts and measures of the Institution towards academic excellence. Our primary objective remains to enhance the quality of education and administrative processes, ensuring that we uphold the highest standards in all our endeavors. Our efforts continue to be directed towards maintaining and enhancing the quality of education and administration within our institution. We thank everyone for their unconditional support and cooperation in bringing out the first IQAC newsletter.

As we move forward, I encourage all members to actively participate in the quality enhancement processes. Your feedback and suggestions are invaluable to us, and together,

we can achieve our shared goal of excellence in education.

Thank you for your continued support and dedication. Let us continue to work collaboratively towards a brighter future for our institution.

Warm regards,

Mrs. Barsha Ghosh

Coordinator, IQAC

INTERNAL QUALITY ASSURANCE CELL (IQAC)

In pursuance of its Action Plan for performance evaluation, assessment & accreditation & quality upgradation of institutions of higher education, NAAC proposes that every accredited institution should establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become a part of the institution's system & work towards realization of the goals of quality enhancement & sustenance. The prime task of the IQAC is to develop a system for conscious, consistent & catalytic improvement in the overall performance of institutions. For this, during the post-accreditation period, it will channelize all efforts & measures of the institution towards promoting its holistic academic excellence.

VISION OF IQAC

To ensure quality culture as the prime concern for the Higher Education Institutions through institutionalizing and internalizing all the initiatives taken with internal and external support.

MISSION OF IQAC

- To develop a conscious, consistent and catalytic system to improve the academic and administrative performance.
- To foster Global Competencies to enhance value system among students.
- To channelize and systematize the best practices and measures of the institution towards excellence.

She is trained in Ignatian spirituality and guiding people to God. **Lily O'Conner** is an Electric Engineer by profession. Along with being deeply involved in the Ignatian Spirituality she is also a board member of **Tribe Rising India**.

FSSAI Certification

Maintaining a hygienic and healthy eatery is of utmost importance in any educational institution. Keeping this in mind, the Students' Canteen of St. Xavier's College, Burdwan has undergone the procedure of acquiring certification from **Food Safety and Standards Authority of India (FSSAI)** which is a Government Statutory body under the **Ministry of Health and Family Welfare** responsible for maintaining the quality and standard of food being served. This certification mandates that the institution must undergo regular inspections to ensure the validity and continuity of this certification. The college administration ensures that the canteen serve good quality, healthy and hygienic food at affordable rates to the students.

LIBRARY AWARENESS WEEK

15 April 2024

National Education Policy (2020) principles state that every Indian student must develop critical thinking skills and enhance their ability to apply that knowledge to solve the real world problems. A library serves as an integral part of this learning process. The ability to utilize different library resources requires the student to have sufficient knowledge. By acquiring this knowledge, they can make informed decisions and be successful in life. The library can therefore be a valuable resource for students. Therefore, it is important to provide access to adequate library resources and services for students. This integrated program has enabled the students to gain the knowledge they need to have become successful in further research activities. On the proposed days, the program started at 2:10 pm sharp in the Academic Seminar Hall of Academic Building in St. Xavier's College Burdwan. The Librarian, **Ms. Priyanka Roy** ma'am has conducted the sessions with PPT content on a regular basis. The resource person has divided the session into two parts. On the first section, she has enlightened the present audience with the importance of library work in research along with the common resources present in the library. She has also provided the complete guideline and hands on training to access the library resource from the college website manually. After a 10 minutes break, in the second session the resource person has also provided hands on training to use these resources for preparing answers and assignments for their UG course curriculum

AUDIT

ACADEMIC AND ADMINISTRATIVE AUDIT

26 February 2024

On February 26, 2024, St. Xavier's College, Burdwan underwent a comprehensive **Academic Audit** by the auditing team from the **University of Burdwan**. The audit covered the period from the academic year 2018 to 2023, evaluating various aspects of our educational practices, administrative procedures, and overall institutional performance. The auditing team, comprising seasoned educators and administrative experts, meticulously reviewed our academic programs, faculty qualifications, teaching methodologies, student assessments, infrastructure, and adherence to regulatory standards. Their objective was to assess the effectiveness of our academic operations and ensure alignment with the university's guidelines and national educational standards. Throughout the audit process, our college demonstrated a commitment to transparency and excellence in education. The baseline data was prepared by IQAC and the content of the baseline data containing data mentioned in the Department Profile of the eight departments (including two professional courses) was verified by the Expert Team for validity and reliability. The team conducted interviews with faculty members, administrative staff, and students to gather diverse perspectives on our educational practices and institutional climate. They scrutinized academic records, course syllabi, examination results, and feedback mechanisms to gauge the quality of our educational offerings and the

overall learning experience. We look forward to integrating the audit recommendations into our strategic planning and operational framework to foster continued growth and success.

ENERGY AUDIT

St. Xavier's College, Burdwan, recently underwent energy audits conducted by the **West Bengal State Electricity Distribution Company Limited (W.B.S.E.D.C.L)** and experts from The University of Burdwan. These audits aimed to analyze the college's energy consumption and propose strategies for enhancing energy efficiency.

The audit by experts from the University of Burdwan provided a comprehensive analysis of both electrical and structural aspects of the campus.

The W.B.S.E.D.C.L audit focused on the college's electrical infrastructure, identifying areas where energy consumption could be reduced.

Both audits underscored the significant potential for energy savings at St. Xavier's College. By implementing the proposed measures, the college can achieve considerable cost savings and contribute to environmental sustainability.

GENDER AUDIT

St. Xavier's College in Burdwan has conducted a gender audit as part of its institutional commitment to integrating cross-cutting issues into its curriculum and campus life. The audit aims to assess and enhance gender equality within the college environment.

The college emphasizes the importance of gender sensitivity and inclusiveness through various initiatives, such as the **X-EVE Women's Cell**, which focuses on gender-related issues and supports female students and staff. Additionally, the college's outreach and extension services, including the **NSS** and **AICUF**, play a significant role in promoting gender equity and awareness among students

GREEN AUDIT

St. Xavier's College, Burdwan, has also undertaken a green audit as part of its commitment to environmental sustainability. A green audit assesses the college's environmental impact, examining areas such as energy usage, waste management, water conservation, and overall sustainability practices. This process helps the institution identify areas for improvement and implement eco-friendly practices.
