**Date & Time** - 5<sup>th</sup> January, 2019 from 12:00 noon

**Venue:** Seminar hall, Academic Building.

On 5th January 2019, the Department of Geography at St. Xavier’s College, Burdwan organized a special lecture on “The Introduction to Geo-Spatial Environment.” Dr. Arijit Majumder, Assistant Professor from Aliah University, Kolkata, was the chief speaker. The session commenced with an introductory address by Mr. Saurav Sengupta, followed by a welcome speech from the Vice Principal. Dr. Majumder, alongside the Vice Principal and the Head of the Department, Miss Pallabi Ghosh, inaugurated the lecture with a lamp-lighting ceremony. The event saw attendance from undergraduate students of all years and ex-students pursuing postgraduate degrees.

Dr. Majumder’s lecture highlighted the fundamentals of Remote Sensing and GIS, focusing on student comprehension and practical examples to elucidate complex concepts. He covered topics such as radiation interaction with earth's surface objects, resolution, and basic projection and datum principles. The interactive session aimed to simplify geospatial technologies, making them accessible to students. The lecture concluded with Dr. Majumder discussing various academic opportunities in geography and related fields. Miss Anuradha Mukherjee delivered the vote of thanks, and certificates were presented to Dr. Majumder in the valedictory session. This event significantly benefited both students and faculty, enhancing the department’s academic momentum.
