

Flyer: Wall Magazine of the Department of Geography

REPORT

Date: 13th April 2024

Time: 12:00 PM onwards

Venue: Seminar Hall, Academic Building

Total Number of Participants: 76

The Department of Geography at St. Xavier's College, Burdwan, proudly unveiled its new Departmental Wall Magazine titled "A Chronicle Journey of District Bardhaman and Its Famous Historical Sites" during the event on 13th April 2024. This inauguration was a significant highlight of the day's program and was graced by the presence of distinguished guests, including Dr. Jenia Mukherjee and Rev. Fr. Dr. G. Paul Arockiam S.J., Principal of St. Xavier's College. The magazine is a meticulously curated publication that delves into the rich tapestry of Bardhaman's historical and cultural heritage. Its primary objective is to serve as a comprehensive resource for both students and the wider community, showcasing the district's renowned historical sites, ancient monuments, and cultural landmarks. Dr. Mukherjee and Rev. Fr. Arockiam ceremoniously unveiled the magazine, symbolizing the commencement of a new chapter in the Department of Geography's outreach efforts. Their involvement in the inauguration underscored the significance of the publication and its role in promoting local history and heritage. The magazine features detailed articles, photographs, and scholarly contributions that highlight the historical evolution of Bardhaman. It also includes sections on lesser-known sites that contribute to the district's unique historical landscape. Through this initiative, the Department aims to foster a deeper understanding and appreciation of Bardhaman's heritage among students, educators, and the local community.

Launch of the Practical Laboratory Manual Book:

The program also included the unveiling of the departmental Practical Laboratory Manual Book, designed under the CBCS (Choice Based Credit System) framework. This manual is intended to enhance the practical learning experience for students.

Conclusion:

The event was a successful amalgamation of academic enrichment and environmental consciousness. The presence of distinguished guests and the active participation of attendees contributed to the overall impact of the program. The Department of Geography looks forward to continuing its efforts in fostering educational and environmental awareness through such initiatives.
