**In association with IQAC**  
**Organizes a webinar on**

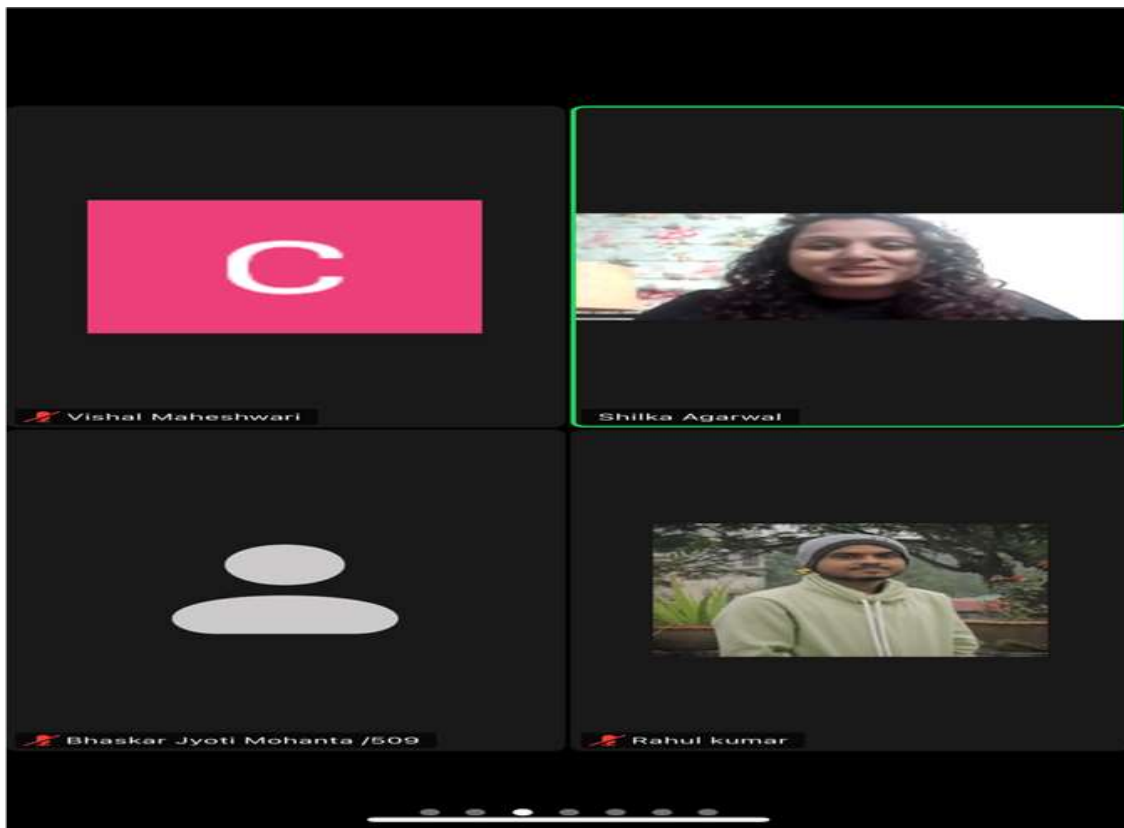

**“Unlock your Genius”**

**Session: 2021-2022**

On 29th January, 2022, at 5 P.M., The Department of Commerce organised a webinar on “Unlock your Genius”. Our key note speaker was Ms. Shilka Agarwal, MBA Marketing & Finance; she is also the author of “You are not your parents”. She is a life coach and motivational speaker. She also worked in OYO & Radio Mirchi. "Genius is not what we do. Genius is what we are" - The session with Shilka A., A self-leadership life coach, was precisely about how to BE a genius by tapping into who we really are.

We are all geniuses if we can realize our true potentials and strengths and build on them. But that would need us to break the trap comparisons and the standards that we are continuously trying to meet. 'Set your own benchmarks and harp on the best of your abilities to be a genius in whatever you do' was one of the major takeaways. 87 students from B.COM (H) & B.B.A. (H) participated in the webinar.

We explored tools and techniques to know ourselves better and be confident in our own being. We often complicate these simple life lessons and get disconnected from what we really want. And such reminders and coaching are definitely the need of the hour to get us back on track to living a graceful and successful life. At the end, all our students were highly motivated and self-confident.
