Vision

Driving academic excellence, accessing quality education and empowering the academic fraternity of the college with enriching library collections. In addition to supporting students and Faculties through innovative and creative education, services, and resources, the College library offers a diverse, inclusive, and collaborative environment.

Objective

- To provide resources to the students to enhance their skills and shape career.
- Library collections, facilities and services support teaching, learning and research.
- Library policies and procedures ensure an equitable and inclusive environment for all members of the college community.

Mission

To create vast and varied collections in print and electronic media in order to find, preserve, and spread knowledge.

To collaborate and establish networks with premier libraries and consortiums in order to facilitate easy access to pertinent information.

To serve as a hub for the academic demands of the humanities, social sciences, commerce, arts, and sciences integrating cutting-edge ICT technologies and methods into library services to enhance teaching, learning, and research.

Five laws of Library

- 1. Books are for use.**
- 2. Every reader his/her book.**
- 3. Every book its reader.**
- 4. Save the time of the reader.**
- 5. The library is a growing organism.**

Dr. S. R. Ranganathan
Father of Library Science in India
