

E-BIOEXPO

2020-2021

The Department of Biotechnology organised an e-BIOEXPO through online platform (Zoom) for the students of Biotechnology. The programme was conducted on 20th July, 2020. The purpose of this e-exhibition is to make everyone aware and conscious about the amazing benefits of biotechnology and its products in these times of a global Pandemic situation.

The students of 1st, 2nd year Biotechnology were untiringly spent their time to prepare biotechnological homemade products to exhibit in the exhibition. Different types of homemade products such as sanitizer, Bio-cosmetics, Biodegradable plastics and homemade beverages were prepared by the students. Students were prepared their exhibits individually or in group, some teachers were mentoring the students to give some ideas to prepare their exhibits and also helped them to prepare their presentation to demonstrate it through online. Teachers were helping the students wholeheartedly by conducting meeting through online from time to time whenever the students asked the doubt to clarify. Three students were also presented posters in the session about some Bioactive products in cancer prevention, Bioluminescent plants and COVID-19 At a glance. The screen shots of few online exhibits were given in the Annexure 2.

Students of various departments, faculty members of all the department and administrators were invited to attend the programme. The inaugural programme was begun at 10.15am. and ended at 1.30 pm. All the faculty members of the Department of Biotechnology were actively involved in conducting the exhibition. Rev. Father Sahaya Jude and Dr. Sudip Hajra were evaluating the exhibits. The inaugural speech was given by Fr. Dr. G. Paul Arockiam, The principal and secretary, St. Xavier's College, Burdwan in the inaugural session. Followed by the inaugural speech the exhibits were highlighted by Dr. Tustu mondal, Assistant professor, Department of Biotechnology. At 10.50 am the inaugural meeting was ended.

The e-Exhibition was started exactly at 11.00am. The full time faculty members of the department, Dr. M. Senthil Kumar, Dr. Tustu Mondal and Mr. Arijit Bhattacharya were hosted the meeting in three different links (Annexure-2). For each link a group of students were allowed to demonstrate their exhibits. The exhibitors were started to present their exhibits using the three different links and also the visitors were randomly chosen the links to see the exhibits.

The students of biotechnology and all the department faculty members and administrators were invited to attend the programme (Annexure-1). The programme was successfully ended at 1.30 pm. The evaluation reports of the exhibits were submitted by the evaluators.

INVITATION

The Department of Biotechnology
Cordially Invites you to Visit

e-BIOEXPO

DATE: 20.07.2020
TIME: 10.15 AM

The Zoom meeting link will be given later to join us

 **ST. XAVIER'S COLLEGE**
BURDWAN

PROGRAMME SCHEDULE

10.15 am. - Meeting Begins

10.20 am. - Innaugural Speech

10.30 am. - Exhibits Highlights

10.50 am. - Innaugural meeting ends

11.00 am. - 1.20 pm. - Exhibition

1.30 pm. - Exhibition ends

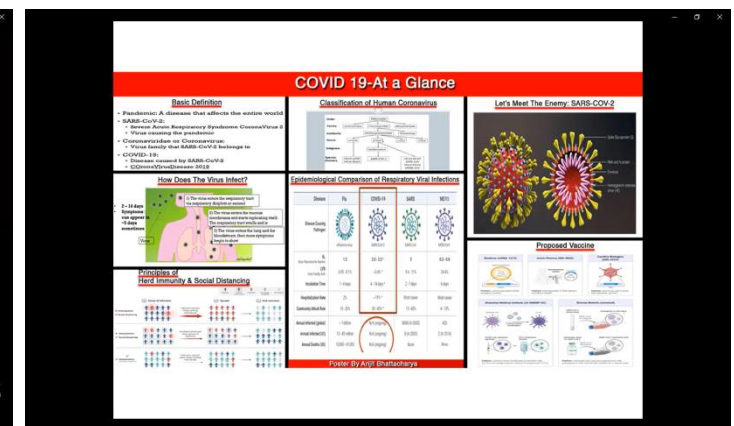

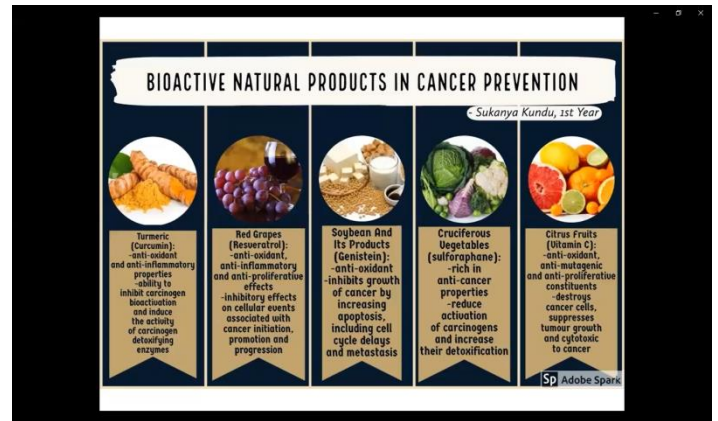

e-BIOEXPO

20 JULY 2020

Organised by

**The Department of Biotechnology
St. Xavier's College
Burdwan**

ABOUT THE COLLEGE

St. Xavier's College, Burdwan was established in the year 2014. It was declared open in July 2014 with the blessings of Bishop of the Diocese of Asansol. It is an English Medium college affiliated to The University of Burdwan. It offers undergraduate courses, B.A. in English, Sociology, and Geography; B.Com. in Accountancy and B.Sc. in Biotechnology, Computer Science, and Geography; and also the professional courses of BCA (Bachelor of Computer Applications) and BBA (Bachelor of Business Administration). This college also offers postgraduate course in English from 2018.

The Department of Biotechnology at St. Xavier's College, Burdwan was established from the day of the inception of the college. The department is trying to contribute into the fascinating era of Biotechnology imparting quality education and providing an excellent environment, through its ongoing undergraduate B.Sc. Biotechnology (Honours) programme. At present the department comprises of many sophisticated instruments which is helping the students in their practical knowledge. Apart from providing in depth knowledge of core biotechnology subjects the students are provided with additional training and opportunities to explore extracurricular activities.

About e-BIOEXPO

The Department of Biotechnology, St. Xavier's College is organizing a one of a kind online exhibition programme of homemade natural products, models and posters. The increasing application of biotechnology to hygiene, health and medicine has greatly enhanced the value and availability of bio resources and products for mankind. This is particularly true with reference to: (i) increased availability of food, feed and other renewable raw materials; (ii) improved human health and hygiene; (iii) greater protection of the environment, and (iv) enhancement of bio safety and environment-friendly technologies. The purpose of this e-Exhibition is to make everyone aware and conscious about the amazing benefits of biotechnology and its products in these times of a global Pandemic situation.

EXHIBITS HIGHLIGHTS

- HOME MADE HAND SANITIZER
- HOME MADE BIO-COSMETICS
- BIODEGRADABLE PLASTIC
- HOME MADE BEVERAGES

- e-POSTERS

Registration:

- The visitors to this exhibition can enroll their name, e-mail ID and Phone No. @ btmxcbb@gmail.com
- The online zoom meeting invitation will be sent to your e-mail ID to visit the exhibition.

Exhibitors:

The students of the Department of Biotechnology.

St. Xavier's College, Burdwan will be the exhibitors of the exhibition.

Prizes and e-Certificates

Prizes and e-Certificates will be given to the best exhibits.

Organising Committee

Chair Person: Rev. Fr. Dr. G. Paul Arockiam S.J.
(Principal)

Co- Chair Person: Rev. Fr. Sahaya Jude S.J.
(Vice-Principal)

Convener: Dr. M. Senthil Kumar

Organising Secretaries:

Dr. Tustu Mondal
Mr. Arjitt Bhattacharjee

Joint Organising Secretaries:

Dr. Sudip Hazra
Miss. Baisakhi Ghosh
Mr. Soumitra Rudra
